Onboard ceremony

Naturally the romantic highlight of any wedding is the actual ceremony with the exchange of vows. On our ships, the captain will act as the official master of ceremonies. What could be more magical than getting married in such a special setting.

Yes, I do!

In order to facilitate a smooth and superb ceremony, the bridal couple has the opportunity to discuss everything with the captain prior to the start of the cruise. Usually this meeting takes about 20 to 30 minutes. Naturally, the couple is free to bring along other ceremonial guests, speakers or theologians. We are keen to accommodate the wishes and ideas of the bridal couple.

For a truly refined wedding with over 100 participants, we would recommend the charming paddle steamers Unterwalden, Schiller or Gallia. For smaller parties the catamaran Cirrus is ideal, while for truly grand events with up to 400 banquet seats our state-of-the-art Super Yacht MS Diamant is the perfect venue.

Package offer: CHF 950.– (for a 3 hour event)

This attractive package price includes the wedding ceremony performed by the captain, special seating arrangements on the main deck, a commemorative wedding certificate as well as all event planning.*

Please note that the wedding ceremony performed by the captain is symbolic, but not legally binding.

* This package offer does not apply to the large ship MS Diamant, where special conditions apply.

Fleet

As the largest navigation company in Switzerland, our diverse fleet is as attractive as it is functional. Every ship has its own history, style and flair. From the nostalgic appeal of our genuine steamboats to the spacious luxury of our modern motor vessels, every vessel can accommodate a different type of event. Enjoy true refinement and a touch of glamour, by chartering one of these iconic vessels for your own dream wedding in the heart of the Swiss Alps. Memorable moments are assured.

General information & terms

For all of the wedding offers and different packages detailed in this brochure, the following terms and conditions apply.

Definition of catering services

All of the fixed-rate catering packages presented in this brochure have been carefully selected and defined by our exclusive board caterer Gastronomie Vierwaldstättersee. It is possible to choose different menu options for your wedding cruise and for this purpose we would refer you to the special banquet brochure of our caterer. Please note that for all customized or individualized menu choices different prices will apply and the prices listed in this brochure will no longer be relevant.

Ship infrastructure

Please note that our small motor vessel «Rütli» are not fitted with catering infrastructure and do not have any separate power outlets onboard. Hence these historic motor launches are not suitable for wedding cruises. Our stylish Panorama Yacht MS Saphir is not fitted with a kitchen and therefore is only available for a wedding cruise that is limited to drinks and cold nibbles. Our fast ferry catamaran «Bürgenstock» is required for daily public transport services and not available as a private charter vessel.

Boat rental

The final charter price for your private wedding cruise is dependent on a number of factors, including the total number of participants, the duration of the cruise and the departure and arrival location. Cruises that start and finish in Lucerne are generally the most cost-effective as they do not require empty ship transfers. Please let us know your program wishes and we will calculate a personalized price offer. All cruises that continue beyond 11 pm will be invoiced with a 25% night surcharge.

Special seating arrangements

All charter cruises automatically include our regular banquet seating arrangements. We are happy to fulfil extra wishes. The options and prices are as follows:

- Seats of your choice (invoiced based on time and effort required, at a rate of CHF 75.00 per hour per employee)
- Standing tables (rental fee CHF 40.00 per table)
- For more than 10 standing tables a flat-rate delivery fee of CHF 200.00 will apply
- Lounge furniture (invoiced based on time and effort required)
- Please note, the catamaran Cirrus is already furnished with its own lounge furniture

Ports of call

Luzern ist der Ausgangsort für Schiffsmieten. Sie können jedoch individuell Ihre Ein- und Ausstiegsstation wählen. Wir fahren sämtliche SGV Stationen rund um den Vierwaldstättersee an. Falls Ihre Fahrt nicht in Luzern startet und/oder endet, verrechnen wir Ihnen die Schiffsmiete für die leere Hin- oder Rückfahrt zu einem reduzierten Ansatz. Zusätzlich verrechnen wir Ihnen für die Anwesenheit der Gastronomie-Mitarbeitenden einen Zuschlag (pro Mitarbeiter und Stunde CHF 55.00 / CHF 70.00 für Chef de Service und Küchenchef). Ab 23.00 Uhr gilt ein Nachtzuschlag von 25%.

Group size

For any wedding cruise and all of the flat-rate offers listed in this brochure, the minimum number of participants is 50. Please give us the full details of your catering order at least 14 days before the actual event. At least 7 days before the event we must know the final number of participants. Until 2 days before the event we can grant you a 10% reduction on the final number of passengers for events up to 200 participants and a 5% reduction for weddings with more than 200 guests. If you communicate these reduced passenger numbers to us on time, they will result in appropriately reduced prices, but please note that the prices will always be for a minimum of 50 people, no matter how many final participants show up. Any changes in the size of your party communicated to us less than 2 days before the actual event cannot be considered. Should more people attend the event, than were originally announced, these will be invoiced after the cruise.

Prices and validity

All prices listed in this brochure are based on our price lists from winter 2020 and are valid in 2021. Once a newer wedding brochure has been published, these prices will be superseded and considered outdated, without further validity.
